Re: Manufacturer's Certification,
ASTM D3034 Sewer Pipe
4" – 15" SDR26 & SDR35
18" – 60" PS28, PS46, PS75, & PS115

To Whom It May Concern,

In response to your request for Manufacturer's Certificate of Compliance, please be informed that Diamond 4" through 60" PVC sewer pipe is green and manufactured in accordance with the dimension and performance requirements set forth in ASTM D3034. The compound is classified per ASTM D1784, and all applicable testing is conducted in accordance with ASTM D2152, ASTM D2412, and ASTM D2444. Integral couplings are formed using Rieber technology and meet the requirements of ASTM D3212. The gaskets meet the requirements of ASTM F477.

Some of Diamond Plastics plants also manufacture PVC sewer pipe that meet the requirements of CSA B182.2. Products meeting these requirements contain the CSA B182.2 certification mark in the print string applied to the pipe.

If we may be of further assistance in this matter, you may contact us at the Grand Island office.

Sincerely,

DIAMOND PLASTICS CORPORATION

Matt Rennau, P.E.
